-The band has an Eastcoast tour in February, with a date at the Stone in NYC on Feb 17th.

-And starting March 31 through most of April they will tour in Italy, Austria, Czech Republic, Slovenia, and Slovakia. They are currently looking for a few dates to close out the tour in Germany.

Beat Circus

Boy From Black Mountain has been receiving excellent reviews across the board. The album won the 9th Annual Independent Music Award for Alt/Country Album of the Year. The [Boston Phoenix](#) gives the album 3.5/4 stars, raving "*Boy From Black Mountain* is the prettiest darn dark Americana record in recent memory." [PopMatters](#) gave the album 9/10 stars, added it to their Slipped Discs of 1009, writing "For anyone still awed by Neutral Milk Hotel's *In The Aeroplane Over the Sea*, *Boy From Black Mountain* was an album that promised a similar journey through innocent speculation and otherworldly magic. Beat Circus has provided one of the highs of the year." And the [Boston Herald](#) ranked *Boy From Black Mountain* in their top 10 of 2009.

GUTBUCKET

As you may know, gutbucket's on tour in europe this month, having played copenhagen's winter jazz festival last week, a great show at paris' le Triton before then, and other big shows across germany, france and switzerland. We're premiering new, unrecorded music that we hope to record in 2010, and it's gotten great reception. Last stop on the tour is the prestigious tel aviv jazz festival, our middle eastern debut! On the calendar for spring are a handful of shows in nyc, and perhaps some northeast dates. We hope to be on the west coast USA in late 2010 or early '11, so we're interested in finding dates/clubs/bands for that!

Miriodor

2009 has been a good year for Miriodor with two releases: Avanti! (Cuneiform Records) and Live in 89 (ProgQuébec). We expect 2010 to be a good year as well! We got a grant from Quebec government to work on the scenic/visual aspect of our show, which we'll keep busy in the upcoming months. We should see some results of this work when we'll play in Jonquière (province of Quebec) on May 20th, 2010. This show is a production of the Festival des Musiques de création de Jonquière. We should be joined by two reed players on this occasion, Marie-Chantal Leclair and Pierre Labbé.

In September, we will have the great honor of participating to the Rock in Opposition Festival, in Carmaux (France). We'll be playing on Sept. 19th. We are currently working on booking additional shows around this date. If there's anyone interested in booking us or if you have some contacts, now is the time to act. Last time Miriodor played in France was 20 years ago! So, we're looking to take full advantage of this crossing of the ocean!

Miriodor is also developing web experiences on the usual site so you're encourage to reach them and leave some feedbacks.
